

Lions Clubs of Kent County
Kent County Christmas Basket Committee, Inc.

November 2017

Dear Christmas Basket Supporter,

With your help The Kent County Christmas Basket Committee, Inc. continues to provide a nicer holiday for many families and individuals that are less fortunate than we. The five Lions Clubs of Kent County are now in their sixteenth year of managing this long time 501c(3) tax-deductible program. We are fortunate to have assistance from many other community organizations including the Kent County Department of Social Service, the Kent County Health Department, 4-H Clubs of Kent County, all of the fire companies and rescue squads throughout the county, the sheriff's department, the Kent County Board of Education, Washington College and many of our fine churches and businesses.

The goal of this committee has been to make the season better for those in need. However, it is with the effort of us all that this committee is able to provide quality boxes that are packed and distributed to those deserving folks in the area. Funds are needed to make the boxes more complete and to provide those kinds of items that will allow us to do what we can for the numerous recipients.

As individuals and through organizations in the community, many of you have donated to this fund in the past years, and it is the hope of the Lions Clubs that you will continue to do so and that you will encourage others to donate as well.

Please make your tax-exempt checks payable to:

Kent County Christmas Basket Committee, Inc.

Donations may be mailed to:

c/o Joe Irr

13886 Swantown Creek Road

Galena, MD 21635

Thank you for your contribution to making the season nicer for other members of our community.

With thanks for your help and a wish that you have a joyous season,

Robyn C. Moore, Executive Director
Kent County Christmas Basket Committee, Inc.
