

**Greetings Fellow Lions,**

**I want to wish you and your families a very Happy Holiday season. At this time of year, we find ourselves reflecting on the past year and those whom we have helped both locally and nationally as Lions. We have had quite a busy year raising funds to support many charitable events. I hope 2018 has been as rewarding for you as it has been for me both in performing service as well as in the camaraderie we have while working on these activities. I have confidence that 2019 will be another great year where Chestertown Lions continue our traditions.**

**In Lionism,**

**KL Dave**
