Chestertown Lions Club members assist the Kent County Health Department with their COVID-19 vaccine effort by managing patient flow at the Amy Lynn Ferris Adult Activity Center's parking lot on Friday, February 5, 2021. Lions Club members are monitoring patient's 15-minute wait times in the parking lot after the shot. The Club is also supporting the vaccine shot effort at other Kent County vaccination centers: Galena Fire Hall and the Rock Hall Volunteer Fire Company.
