

Chestertown Lions Club Crab Feast

Over 40 members and guests attended the annual Chestertown Lions Club Crab Feast on a rather warm evening in Chestertown. The event was held at a new outside venue this year - Chester River Yacht & Country Club's (CRYCC) Dock Bar on August 26, 2021. In addition to "ALL YOU COULD EAT CRABS" food selections included hamburgers and hot dogs. Everyone reportedly had an outstanding time.
