

## CHESTERTOWN LIONS 2021-2022 BUDDY TEAMS

*The “Buddy Program” started 4 years ago at our club to improve communication and help member retention. I ask “Team Leaders” (In bold font below) to stay in contact with your team members, let them know that they are missed when they miss meetings and events; and let them know what they missed. Share important information about the club with them, information that will make them proud of our club.*
